

Funded projects for the structural integration of gender equality

Call for Proposals 2026

The Gender Equality Office is funding **projects** aimed at **boosting the structural integration of gender equality** at the University of Bonn.

The funding is aimed towards projects contributing to cultural or structural change (e.g. supporting gender equality, anti-discrimination, awareness-raising and career development).

The maximum funding per project amounts to **10.000 €**. All units of the University of Bonn are eligible to apply for funding.

There is no legal entitlement to receive funding.

Submission and Contact

Proposals must be submitted by **October 31, 2025** as one PDF file via email to

Central Gender Equality Officer
Gabriele Alonso Rodriguez
gleichstellungsbeauftragte@zgb.uni-bonn.de

Submission of Application

Proposals should not exceed a maximum of 10 pages and should cover the following topics:

- Objectives and goals of the Project
- Analysis of strengths and weaknesses in terms of gender equality in the department (institute, etc.) applying
- Planned measures and their implementation
- How does the project fit into the department's structure and development plans?
- How will the project be integrated into the department as a whole? Who will be responsible?
- Project schedule and budget
- Plans for evaluation to check the project's sustainability and (long-term) effectiveness.

Further Information
